## GRANITE CITY SENIOR HIGH SCHOOL SCHOOL SEAL

In 1967, the Warrior yearbook staff introduced the school seal for Granite City Senior High School. Its design was the result of the combined ideas of several members of the yearbook staff. At top center is the lamp of learning above a shield surmounted by the motto, "Wisdom." In the left upper segment of the shield is a quill and inkstand, representing scholarship; to the right of it is the gavel of democratic parliamentary procedure, and below is the book of knowledge, opened through scholarly endeavor. Below the shield is the Latin inscription, "Scientia Ipsa Potestas Est." (Knowledge, itself, is power.) Surrounding all is the continuous chain linking the senior classes of Granite High. At the bottom is the founding date of the first high school in Granite City, 1898.

The 1984 Warrior staff hopes to see the school emblem used more frequently in future than it has been in the recent past. Our high school has a tradition. Let's be proud of it!

No More South - No More North:

## WHAT DOES THE

Mr. Harmon: "As far as the students are concerned, I see no problem. North and South combined easily and my only complaint would be that the P.E. classes are too large. Other than that, I think things are going along, nicely."

Mr. Moore: "The closing of North was a necessary evil. It cut student participation in athletic and other activities in half. On the other hand, the transition was very good. However, I do miss my air conditioning."

Mrs. Shehorn: "The way it is anymore, you about have to (close the school) because of the small amount of students. I think it's fine."

Mr. Barker: "It was necessary because of economic conditions. Kids have blended well, and I think it has been a success."

Mr. Pennell: "The combination has been very smooth, and predicted student conflicts have not occurred. Students from North had a difficult experience by coming to a new environment, and they will never forget their past. What is important now is the present, though, and that the students have a new identity, together."

# 1983 NORTH SPRING CAROUSEL

## The 1983 Spring Carousel Court

Honoring the senior girls was extra-special this year at North High School, simply because it was North's final one. As the processional began, excitement grew. Yet at the same time there was sadness, for the girls knew this could be the last time they would see many of their friends.

On May 13, 1983, Rita Harrel, retiring Homecoming Queen of 1982, crowned the new Spring Carousel Queen, Miss Allayna Beatty. Attendants to the Queen were Michelle Loftus, Carolyn Horbelt, Trina Davis, Marilyn Horbelt, Jennifer Papa, Lori Halbert and Kimberly Smith.

Kim Mushill, junior vice-president of Silver Spirit, served as Master of Ceremonies for the evening. "It really felt special to be a part of something that the girls will always remember," stated Kim.

The rifle and flag squads were the first to perform. Silver Spirit entertained with a skit that traveled through time. Other performances included songs by the mixed chorus, a routine by the pom-pom squad, and a dance by the cheerleaders to the tune of "Greased Lightening".

The junior skit poked fun at many seniors, as they looked back over their high school years. It also included a few members of the faculty in the jokes!

The seniors also performed a Senior Dance for the first time at a North Spring Carousel. Twelve couples waltzed to the tune of "Can I Have This Dance?" as the audience watched.

The evening ended with the traditional Maypole Dance done by the girls, themselves.

As this was North's last Spring Carousel, it held a special meaning not only for the senior girls, but for all those who took part or attended.

# MEMORY

The senior girls from the class of 1983 gathered together for one last time on May 6, 1983. This special evening, known traditionally as May Day, proved to be a night of joy and sadness for these girls. The joy of being with friends you've known for years, and the sadness of leaving those friends and starting a new life out of high school.

The evening began as parents, friends, and relatives filled the gymnasium waiting to see their favorite senior girl. The retiring Homecoming Queen, Amy Dillard Partney, was present to crown the new May Queen, Miss Laura Shanks. The May Court Attendants, who were chosen by the senior class, were Bonni Burns, Marti Greer, Becky Jackson, Chris Kessler, Kim Miller, Chris Peterson, and Kathi Telfoff. All the senior girls looked fantastic decked out in their lace and bows.

The girls were entertained by several different groups who volunteered their time for the show. "For the past couple of years I've performed in the May Day show, and it has always been fun," commented Missy Pennell. The senior boys and girls performed a special segment known as the senior dance. Undoubtedly the most touching part of the May Day program was the traditional May Pole dance and the Candlelight ceremony. The memories of their high school days came flooding back as the theme, "Memory" was sung by senior Randy Dunn.

The evening ended with tears of goodbye and another happy memory to add to their collection from their years at Granite City SOUTH.

# A VERY SPECIAL WEEK

## HOMECOMING 1983

Homecoming 1983 was a week that will be long remembered by the students of Granite City Senior High School. The whole student body showed an abundance of spirit and enthusiasm, and made it a great week.

Throughout the entire week, and the weeks before that, the clubs at school began to organize floats for the big homecoming parade. This year's theme was, "Make the Blue Devils See Red." The cheerleaders seemed to convey this message the best, receiving first place in the float contest. The guys and girls that were elected to the homecoming court had dresses made and suits fitted for the big night. Mr. Ron Pennell, head of the speech department, and his speech students worked hard on this year's play, "West Side Story." Traditional homecoming mums were sold with the slogan, "Don't be a bum, buy her a mum."

On Wednesday and Thursday nights the Homecoming Play was presented to an enthusiastic crowd. The coronation followed. Miss Lauri Machino was crowned queen and Thomas Adamitis was named as Royal Escort.

Friday was the day that everyone was looking forward to, and when it arrived, it was realized by many seniors that this was their last year, and it was the last homecoming of their high school years. Many students were dismissed early from school to work on floats and to see the parade.

The evening that followed contained the traditional Homecoming football game. Unfortunately the Warriors fell short to the Blue Devils, with a final score of 22-0. The Homecoming spirit was not lost, however. The week ended with a memorable dance sponsored by the Student Council.

The week that was — Homecoming 1983 — will hold many pleasant memories for the students at G.C.H.S.

# 1983 NORTH PROM

On May 6, 1983, couples gathered to celebrate the 1983 Senior Prom. The Prom was held at the S.I.U. Meridian Ballroom in Edwardsville, Illinois. Lavish gowns and tuxedos filled the ballroom and the excitement grew as the prom began.

Dinner was served at seven-thirty and was followed by dancing. Couples danced to the theme, "Life Will Go On" as Daria Bolt and the Quicksilver Band entertained.

At the end of the Prom, many couples did not stop there. Instead they went out to dine and dance some more. Friends and couples made the most of this special event and let nothing stop them from having an excellent time.

When asked about her Prom night, Raben Andrews commented, "I liked seeing everyone get dressed up!" Jay Smith replied, "The best part about it was getting all dressed up." "I had a fantastic time!" was Richard Skubish's response, "Everybody had a great time on the dance floor."

The Prom was definitely a success for all who attended, and will be remembered by all as a fun-filled evening of glory!

# TRULY

The most elegant night of the school year to many was the prom. This annual event, long awaited and planned by many students, was definitely a success for 1983. The prom was sponsored by student council, and the theme was "Truly," sung by Lionel Richie.

The high school dream of almost all girls came true on the night of May 14, 1983. Much preparation went into this evening. Those who wanted to go that did not have a steady had to find a date. Many went together as friends, wanting a good time.

Six to eight weeks before, dresses and tuxes were ordered and fitted. Many girls designed their own dresses and had them made to perfection. Flowers were chosen to match. Tickets were bought from student council at \$25 a couple. The much anticipated evening would soon be there.

The time finally arrived. Pictures were taken as couples drove off and prom night began. The 1983 prom was a different atmosphere from the previous years. It was held at Augustines' Restaurant in Belleville.

Each couple was formally introduced as they arrived. The luscious buffet was quickly devoured by the students and faculty in attendance. Everyone then danced the night away. When the clock struck twelve, the evening was not over for many. Couples dined at restaurants, went to parties at homes of friends, or partied at the nearby Holiday Inn.

As the sun was rising the following day, many were on their way home from an unforgettable evening that they would always cherish.

# ADMINISTRATION AND FACULTY

# 1984 Board Of Education

Standing: Mr. Alan Crider, Mr. Dewey Melton, Mr. Monroe Worthen, Mrs. Ruth Lahr. Seated: Mr. Tom Mlofsky, Secretary; Mr. David Partney, President, and Mr. Kelly Hogan, Treasurer.

Our elected board of education serves the citizens of Granite City without pay. Under state law the board is given primary responsibility for determining the basic policies and structure for the public educational process in Granite City. In recent years, due to the economic recession and substantial decreases in state and federal funding, local school income has decreased at a rapid rate. As a result, local school operations have had to be curtailed to cope with increasing district indebtedness. At the conclusion of the 1982-83 school year, the financially pressed board had to make some very difficult decisions concerning the future direction of our local school system. Five elementary schools were closed, and North and South High Schools were merged into one high school with approximately 3100 students. Certified and non-certified staff was substantially reduced, also.

In November, 1983, the voters of Granite City Community Unit School District Nine reelected two members of the board whose terms had expired, and elected three new members of the seven member board of education. Members of the 1984 board are Mr. Monroe Worthen, Mr. Tom Mlofsky, and Mr. David Partney and Mr. Dewey Melton, who were reelected in November. New members are Mr. Kelly Hogan, Mrs. Ruth Lahr, and Mr. Alan Crider. New officers for the board are Mr. David Partney, President; Mr. Tom Mlofsky, Secretary; and Mr. Kelly Hogan, Treasurer.

# SUPERINTENDENT

## COMMUNITY UNIT SCHOOL DISTRICT #9

### MR. B. J. DAVIS

Mr. B. J. Davis was born on March 23, 1931. He attended Southwest Missouri State and received a B.S. in education. After teaching for three years, he received his masters in Education Administration. Then, he served as an Elementary Principal in Missouri. From 1960 to 1965, he was principal of Central Junior High in Granite City. He was appointed Assistant to the Superintendent in 1965, and a year later became Superintendent of School District #9.

### ASSISTANT SUPERINTENDENT MR. FRANK KRAUS

Mr. Frank Kraus was born in 1930, in Granite City. He served in the Air Force for two years, and then received a B.S. degree from Southern Illinois University, Carbondale, in 1957. Later, he received his M.S., from Indiana State University. He served as a teacher, Assistant Principal, and Principal of Coolidge Junior High in Granite City. He then became the Assistant Superintendent for Community Unit District #9 in 1967.

## Gilbert V. Walmsley Principal

Mr. Walmsley was born on January 15, 1939, in East Alton, Illinois. He attended East Alton elementary schools, and graduated from East Alton-Wood River Community High School. He graduated from Southern Illinois University at Carbondale, in 1962, with a Bachelor of Science degree in Industrial Arts and Safety Education. He attended night school at S.I.U., Edwardsville, from 1962-65, in order to acquire a Master of Science degree in School Administration and Guidance. Prior to entering teaching in 1962, he worked as a production foreman at the Olin-Matheson plant in East Alton, Illinois.

In 1962, he began teaching Industrial Arts at Roosevelt High School in St. Louis. The following year, he came to Granite City Senior High School as an Industrial Arts and Driver's Education teacher. From 1965-67 he was a Guidance Counselor at the Senior High. In 1967 he became Assistant Principal at the Senior High School. In 1970 he became Principal of Prather Jr. High. He served as principal there until he was named Principal of Granite City High School/North, in 1972. After serving there for 10 years, and with the closing of North, he became Principal of the combined Granite City Senior High School. We wish him the very best in this role.

## Assistant Principals

Assistant Principals have many responsibilities that need to be taken care of. When questioned about them, Mr. Schuman responded that most of his own and Mr. Spalding's duties consisted of controlling the student so the teacher can teach. Mr. Buehier is in charge of scheduling and grade reporting. All three of them help out at school events, such as plays, athletic games, and assemblies. School could not operate smoothly without our assistant principals

## COMING TOGETHER

With the combining of the high schools this year, we also experienced a merger of the faculty. Many teachers, who began their careers at Granite City Senior High, found themselves teaching at the newly built Granite North in 1973.

When the Board of Education decided in favor of only one senior high school, these "Steeler Teachers" returned to their native school. Most felt uneasy in a building they had been absent from for ten years.

Any teacher who remained at South after the "Split of '73", also may have felt uncomfortable this year. Having many teachers and other faculty members dismissed, friends and friendships were lost. But "the faculty has combined as smoothly as the student body has", commented one faculty member.

We are rebuilding for the future on a new foundation, and there will be new friends made and new friendships formed, as we get acquainted with our "new" faculty.

# DATA PROCESSING DEPARTMENT

What would we do without Data Processing to keep track of all our students, staff members, fees, obligations, book rentals, year-book sales, etc? We would live in perpetual confusion, that's what! Just give them the information, and they will make order out of chaos. That's their job, and they do it exceedingly well.

# FOREIGN EXCHANGE STUDENT:

Connie Popmarkoff

This year's foreign exchange student, sponsored by the Rotary Club, was junior, Connie Popmarkoff. Miss Popmarkoff spent this last school year in Leon, Mexico. During her stay, she lived with two host families, and learned to live like a true Mexican. In her spare time, Connie visited such places as Mexico City, Acapulco, Puerto Vallarta, and Mazatlan.

Seeing sights she had never seen before, Connie was introduced to the Mexican culture. She didn't lose touch with her family and friends back in Granite City, either. Her family received numerous letters, pictures, and phone calls during her stay.

1. Foreign exchange student, Connie Popmarkoff, and her host father in Mexico, Jesus Solis. Photos 2, 3, and 4 are pictures of the Popmarkoff residence on the morning of Connie's departure. The decorations were made by friends of the family.

# SPRING FEVER

Under the coaching of John Modica and Robert Cowan, the 1983 Warrior baseball team finished with a 14-18 record.

The squad's leadership was provided by captain Dominic Griffon and MVP Tom Newton. Phil Dudak and John Linhart were also important as they led the team in batting with averages in the .340's.

The team was well represented with six players receiving honors in the Gateway East All-Conference Selections. John Linhart was named to the first All-Conference team, playing 1st base. Tom Stegemeler was selected as designated hitter to the 2nd conference team. Honorable Mentions were given to 2nd baseman, Phil Dudak, centerfielder, Tom Newton, pitcher, Mark Vanyo, and Catcher, Vince Mitchell.

The season came to an end on May 30 with a loss to Collinsville, 13-0. However, the Warriors had gained big victories prior to that game. In the first game of the Regional Tournament, South defeated East St. Louis, 5-4. The next game was the "highlight of the season," as the team beat Granite North 5-2. "That was the first time we had beat them in the last 13 tries, and it was definitely the most memorable game of the season," remarked Coach Modica.

Granite South prepares for a tough game.

## BASEBALL

### Remarkable Season

The 1983 Granite City North baseball team accomplished a lot last year as they finished the season with an impressive 18-8 record. They beat Granite City South four out of five times and had a twelve game winning streak. Coach Bob Stegemeler said that winning the Granite City South Round Robin Tournament was the highlight of their impressive season.

There were many individual achievements, also, this season, as players were selected to the Gateway East Conference Team. 1st team members included catcher, Daren DePew, 3rd baseman, Steve Trittschuh, shortstop, Brian Levin, right fielder, Terry Rujawitz, and pitcher, Dan Whitsell, who threw a no-hitter and a one-hitter. 2nd team selections included 1st baseman, Rod Hessler, center fielder, David Sheik; honorable mentions went to 2nd baseman, Kevin Patterson, and designated hitter, Keith Coakley.

# GRIDDERS BEGIN NEW TRADITION

The 1983 football season was a rebuilding year for Granite City Senior High, as the team ended their season with a 3-5 record. Coach Tom Wyrostek and his assistants combined the talent to make an aggressive team; a tougher team than their record indicated.

In their first game, Granite played the Roxana Shells. With a large Warrior crowd for an away game, the team performed well but didn't get the breaks as they lost 19-14. The next game was against Belleville West. This was the only game the Warriors were not in, as they were outclassed by the Maroons.

The next two games were the most rewarding, as the Warriors beat rivals in Collinsville, and in an

extremely well played game, Edwardsville. The Warriors dropped three in a row to Althoff, Cahokia, and Northwest, in the Warrior Homecoming game. The final match was against a Chicago area team, Streator. The Warriors pulled out a close one as they won by the score of 9-8.

Granite had many of its players recognized for their play throughout the season. John Wyrostek was named to the 1st team Downstate Squad. Honorable Mentions went to Tom Adamitis, Shane Cole, and Terry Rujawitz. These players, along with Kurt Hylia, John Sleka, Sean Wyrostek, Paul Ballew, Eric Graves, and James Moad, received honors in the All-Conference Team.

## U Win Some - U Lose Some!

"It's an extremely exciting experience when you win, but it's terribly traumatic when you lose," explained Coach Gene Baker.

When state playoff time rolls around, a new dimension is added to games in case of a tie. It is a penalty kick (PK). The Warriors entertained their fans with two consecutive over-time PK's in four days, but came up with different results.

On a Tuesday night at SIU, the Warriors played Collinsville to a 0-0 tie before the game went to the penalty kicks. With the help of a supportive crowd, the Warriors beat the Kahoks in what Coach Baker said "had to be one of the most exciting and enjoyable games that he had ever been associated with." The PK treated the Warriors royally and earned them a trip to the state tournament.

In less than a week, the same PK kept the team from possibly winning the state title. After another scoreless game and overtimes against eventual state champs, Glenbrook North, the kickers sent their large following back home early as they came up short in penalty kicks.

"It didn't seem fair to decide a whole season on penalty kicks. It was great to beat Collinsville like that, but it wasn't right for our season to end like that," said senior Steve Petrunich.

U WIN SOME, U LOSE SOME.

## Kickers Win #300!

One goal achieved by this year's soccer squad was obtaining a win which gave Coach Gene Baker his 300th victory! With the defeat of Alton, Baker reached a mark only dreamed of by high school coaches. Baker led his '83 team to a season with only 4 losses. The Warriors played 4 exceptional games during the season. Their first outstanding game was against the Dragons of St. Mary's. The Warriors physically handled their opponent and marked up an impressive win. The kickers played steady until the Quincy Sr. game, in which the Warriors totally outclassed the Blue Devils 4-1.

The last two games of the season for the Warriors were played the way soccer was meant to be played. As they battled Collinsville and Glenbrook North in state playoffs, the 2 games went 200 minutes of scoreless soccer, and both games were decided in sudden-death penalty kicks.

Granite City soccer fans had witnessed the wildest back-to-back games since the beginning of the program. To the players, the season wasn't rewarding enough, because they felt they could have won it all (state). "It was an experience going to state, but it was disappointing to know that the team had what it took to win the tournament," said senior Mike Sikora.

## Sheridan: All-American

As a senior, #11, Matt Sheridan, has been recognized for the effort he has put forth towards soccer.

Matt, as a captain, led the team to the state tournament and a successful season. As a dominant player, he was noticed by coaches and given many awards. He was named to Granite City Pepsi's Tournament team, the All-Sectional team, All-State Tourney team, the All-Midwest team as he was voted the number one soccer player in Illinois, and finally, was named to the All-American team.

Matt played without much "print" the past two years as a starter, but finally received the recognition this year that he deserved. Being named "All-American" is a credit to him, to his family, the school, and soccer program of Granite City.

### Warrior Golfers

The golf team had a respectable season as they finished with a 15-10 record. The team was led by seniors, Randy Thurman, Jeff Pare, Kevin Schatz, and Eric Golf.

Coach Russ Chappell did a good job at combining the different styles of the city's two golf teams to produce a winner. The squad practiced hard every night after school at the Arlington golf course, and it showed, when competing against their area rivals.

"I wish I could have advanced in the playoffs, but as a team, we had a pretty good year," said Randy Thurman. The Warriors didn't advance any golfers in the post-season tournament, but ended up with good performances in the final meet. Coach Chappell was pleased with his golfers and expects some juniors to take over the team next year and become good golfers.

# WARRIOR BASKETBALL

The Granite City basketball team had a memorable season as the team was dominated by a talented group of juniors. Coach Don Deterding tried many different lineups which gave the younger players much experience that will benefit them in future years.

The squad was under the leadership of captains Tom Adamitis and Art Williams. Jeff Gray paced the Warrior scoring, as he was high throughout the season. Kurt Hylia and Scott Cant provided points and were both dominating on the boards. Gerald Booker, senior, was another plus

as he brought adrenalin into the games from the bench. A surprise, Joe Gray, broke in the lineup early in the season and stayed a starter, showing he was the team's ballhandler.

The highlights of the 9-15 season were topped off by a 3rd place finish in the Mater Dei Tournament. The only loss came from the host team while Jeff Gray was placed on the All-Tourney team. Two other wins capped off the season when the Warriors upset Cahokia and beat Triad in an overtime game.

# WRESTLING WARRIORS

The 1983-84 wrestling team had a disappointing season because of an intensive rebuilding program. The squad was coached by William "Red" Schmidt and James "fish" Harsh and was led by two seniors, Greg Nemeth, 119, and Mark Dowdy, 155.

The grapplers compiled a 159-1 record in dual meets throughout the season. The highlight for the Warriors was winning the McClure North Tournament. First place finishers included Jeff Cotter, 98, Jeff

Waford, 112, Greg Nemeth, 119, Vince Slecka, 126, and Mark Dowdy, 155. The team also had an impressive showing in the Hazelwood Central Tournament as they finished 2nd, behind Roxana.

The season ended suddenly for most of the team, including the two seniors, who anticipated going on to the state meet. Two wrestlers, Jeff Cotter and Tom Sparks, had their season extended as they qualified for the State Tournament to represent GCHS.

## Cotter and Sparks go to State

Granite City was represented at the Illinois State Wrestling Tournament by Jeff Cotter and Tom Sparks. Both were a big surprise to coach Schmidt and teammates. Jeff, a junior, qualified for state when he placed 2nd in the Granite City Sectional meet. Cotter won his first match forwarding him to the final 16, only to lose to John Chapman of Galesburg 52. Overall, Jeff finished with a 34-5 record. Sparks earned his trip up north by placing 3rd at the G.C. Sectional. At state, he lost his first match 4-2 to Lee Eppson of Waukegan West. Tom finished the season with a 15-10-2 record.

# WORKING TOGETHER

This year was a new beginning for all of us, and at first, it wasn't easy. The confusion of combining two staffs, one from South and one from North, was handled smoothly by the students involved. We hope that this book will bring happy memories of friends and good times during your days at Granite City High School. Putting together this book was an experience, and we would like to thank Mr. Robert Johnson for all his help and guidance. We would also like to say GOOD LUCK to the 1985 Editor, Brad Wofford, and we hope that next year is as enjoyable as the past year has been for us.

Co-Editors, Patty Burch and Chris Deruntz

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1999. The public sector has grown from 10% of the economy to 15% of the economy.

There is a growing emphasis on the need to improve the efficiency of the public sector. This has led to a number of initiatives, including the introduction of competition, the restructuring of public services, and the introduction of performance targets.

One of the main reasons for the need to improve the efficiency of the public sector is the increasing pressure on public finances. The government has to spend more on public services, but it has to raise less money from taxes.

Another reason for the need to improve the efficiency of the public sector is the increasing demand for public services. The population is growing, and people are living longer, so there is a greater need for public services.

There are a number of ways in which the efficiency of the public sector can be improved. These include the introduction of competition, the restructuring of public services, and the introduction of performance targets.

One of the main ways in which the efficiency of the public sector can be improved is by the introduction of competition. This can be done by allowing private companies to compete for public contracts.

Another way in which the efficiency of the public sector can be improved is by the restructuring of public services. This can be done by merging public services, or by transferring public services to private companies.

A third way in which the efficiency of the public sector can be improved is by the introduction of performance targets. These targets can be used to measure the performance of public services, and to identify areas for improvement.

There are a number of challenges to improving the efficiency of the public sector. These include the need to balance the need for efficiency with the need for quality, and the need to ensure that public services are accessible to all.

Despite these challenges, there is a growing consensus that the efficiency of the public sector must be improved. This is essential for the government to be able to meet its financial obligations, and to provide the public with the services they need.
